

Ulverstone SLSC

2018/19 Season

April 2019

Greetings

One month on since the end of patrols and still the club is busy.

Congratulation to all competitors who competed at the Aussies and to those who went in other capacities.

I believe from the feedback received that the Annual Dinner format was a success, I certainly felt that it was an easy way to thank our members in an informal manner. Congratulations to the major award winners. These again will be highlighted in the forthcoming Annual Report.

The **end of the Club's financial year** is April 30, leading into the AGM and Special General Meeting on Sunday 16 June. Nominations are open for any member who wishes to stand for the Board. Nomination forms can be obtained from the Bar or through email. They need to be returned by 17th May. 30 days before meeting. We currently need a quorum of 30 for both the Special GM and AGM to go ahead. Part of the Special GM is to reduce the quorum to 15 ensuring that these types of meetings can go ahead with a reduced membership number.

Board Positions; President, Vice President, Secretary, Treasurer, Club House Director, Youth Activities Director, Surf Sports Director & Director of Life Saving.

I intend to have the **new constitution** on the website by the beginning of May. The changes aren't significant but align us with the changes made by SLSA since our last constitution upgrade in 2013. This is the reason for the Special AGM immediately prior to the AGM. At this stage it is uncertain whether SLSA will have an updated set of Model By-Laws ready for us at this meeting.

The club will be holding a '**genuine**' **Thai Night** on the Saturday night before AGM (Sat 15). We will be limiting the night to 100 people at \$25 per head for the meal which will be a 3 course one.

Soup; Chicken Tom Yung.

Entrée; Spring Rolls & Chicken Skewers.

Main; Chicken & Cashews, Beef Massaman & Red Curry (hot).

It is planned to have a solo musician perform during the night. More details later. Bookings need to be made through me (email is the best graemerollins@bigpond.com). Money is to be paid on booking into club account or pay at the Bar.

Ulverstone SLSC

2018/19 Season

The club has;

- Taken possession of the new Can Am
- The board has made the decision to upgrade the 4x4.
- We are also in the process of upgrading the first aid room with running hot water (seeking a Central Coast Council Small Grant).
- Have received a new 'soft' rescue board from a Devonport Chapter of the Masonic Lodge (Tasmanian Trinity Conclave) and seeking another one through the Huon Aquaculture Community Grant Program.
- Upstairs floor been resurfaced.
- Lighting in the throughway finished as well as upgraded lighting in the downstairs of the club
- New fire hose reel downstairs near the double doors

If anyone is available to help with a **working bee** on the morning of Sat 11 May designed primarily towards spring cleaning upstairs please let Paul Booth know so that tasks can be allocated. My understanding as always is the more the merrier and a shorter time span ensuing.

At our last board meeting (minutes appear on the website) two critical issues were discussed.

Patrols

We are seeking feedback from patrolling members about the season past - and are asking for opinions about patrol ops/organisation and patrol team membership and roster. Really looking for gripes and frustrations and recommendations for overcoming/reducing these. ALSO, what you found satisfying/rewarding about the patrol season. Can you please give some thought to this and send your suggestions to ulverstoneslsc@gmail.com whereby we may then create a more detailed questionnaire or simply act on what is received. To this end it has been noted that people have expressed an interest in being part of a group to look at the best way to set up next season's roster. If you are one of these people can you let Brett Norton-Smith know again via the club email address.

Subs

The board is proposing a new format for subs in conjunction with the new membership categories introduced through SLSA. Generally speaking, the Board was of the opinion that subs needed to be reduced. With this reduction and flow on effect to one income stream of the club, current members will be asked to pay their membership by the end of July or face a 10% levy.

That's about it for the moment.

End of Season Celebration and Award evening

The USLSC end of season celebration and award evening was held on Saturday 23rd March.

This year we held a whole club end of season celebration and award evening for all USLSC nipper and senior competitors, USLSC members and families. Was great to see a good turnout and encouraging to see many of our new members in attendance.

Presentations were made to all nippers that had completed their Surf education awards along with participation certificates to our under 7, Nemo's.

We also recognized those members who have obtained lifesaving awards over the past season – including Bronze medallions, SRC, ARTC, First Aid, Resuscitation, Spinal Management, Beach Management, IRB crew and IRB drivers.

Thanks to Murphy Knowles for putting the slide show together, showcasing the 2018/19 season on and off the beach and to Mike Holland for taking photos of the award winners on the night.

Congratulations to all Ulverstone SLSC award winners for the 2018/19 season.

2018/19 Season

Aussies 2019

Ulverstone SLSC had 6 athletes compete at the 2019 Aussies on the Gold Coast Qld from the 30th March – 7th April.

Youth Championships – Jensen Walton

Masters Championships – Deb Walton, Shane Walton and Trent Hadley

Open Championships – Zane Hadley and Jack Walton

SLSA Aussies Day 1 - Youth Championships Day 1 at North Burleigh. We had Jensen competing. Iron heats 16th (took 6 through to semis) Surf Race heats 16th (took 15 through to semis) Board Race heats 18th (took 8 through to quarters)

Aussies - Day 2 – Youth Championships Day 2 No Ulverstone Athletes competed in Day 2 of the Youth Champs.

Aussies Day 3 - Day 1 of the Masters Championships Sun was shining and waves were pumping

Trent 45-49yrs Surf Race final 9th Shane 45-49yrs Surf Race final 26th 45-49yrs Beach Sprint heats Deb 45-49yrs Beach Sprint heats

Aussies Day 4 - SLSA Masters Championships Day 2 Today we only had Deb competing with her lining up in the 45-49yrs beach flags. Deb did awesome lining up in Semi final 1. She made it through 3 rounds before being eliminated in her 4 run. Fantastic job Deb - you wanted 2 runs and got 4

Aussies Day 5 - Open Championships Day 1 - Jack and Zane lined up for their U17 Surf Race heats.

There were 6 heats with the top 15th in each heat going through to the quarter finals.

Jack was in heat 2 coming in 10th and Zane was in heat 6 coming in 2nd

Great swims by both the boys in heavy and tricky swell conditions.

Aussies Day 6 - Open Championships Day 2 Tough day in the ocean today for our boys - Zane and Jack.

The boys only had their quarter final of the surf race. In the heavy & tricky swells, strong currents and solid side sweep along with washing machine like conditions they both swam their hearts out in hotly contested heats of the quarters. Zane in heat 2 finished 17th - missing the cut by 1 spot. Damn unlucky in a fast field.

Jack in heat 3 crossed the line in 25th spot out of the 30 starters.

Aussies Day 7 - Open Championships Day 3 Today the boys Zane and Jack were competing at North Kirra (after the relocation of the U17 area (male and female) and U19/Open Females. North Kirra provided much better racing conditions - but still dished up some solid waves, side currents and shore dumps. U17 Male Board (tough cuts with only 8 going through) Zane eliminated in heats Jack 8th through to quarter final then eliminated U17 Iron person (tough cuts with only 8 going through) Zane 16th eliminated in heats, Jack 12th eliminated in heats

Aussies Day 8 - Open Championships Day 4 Today Zane and Jack only had the Under 17 Board Rescue.

The heats were very cut throat with only 3 going through to the next round. Unfortunately our boys were eliminated in the heats.

Dates for Aussies 2020 are: Youth Championships 18th & 19th April (North Burleigh). Masters Championships 20th & 21st April (Broadbeach). Open Championships 22nd – 26th April (Broadbeach)
