**91<sup>st</sup> Annual Report & Financial Statements**

**Season 2019 - 2020**

## **OUR CLUB**

The Ulverstone Surf Lifesaving Club is Ulverstone's major water safety and rescue authority.

### **Our intentions are:**

To support and grow quality lifesaving services.

To continue to grow as a strong, sustainable and viable organization.

To grow lifesaving skills, participation, fitness and image through surf sports.

### **Why we exist:**

Ulverstone Surf Lifesaving Club exists to develop practices in education, prevention and rescue, to meet a target of zero preventable drowning and to set the benchmark for aquatic rescue in Ulverstone and Tasmania.

### **How we fulfil our vision:**

All our services are provided by trained surf lifesavers, who help provide safer beaches in the Ulverstone Community. Principally by performing volunteer surf lifesaving patrols in their own time, every weekend and public holiday from the first weekend in December to the last weekend in March. In addition, our club provides lifeguard services to community events, school activities and aquatic events.

### **How we are funded:**

Ulverstone Surf Lifesaving Club is a not for profit organisation and relies on our sponsors, grants and donations to exist. Importantly, we rely on the Central Coast Council and Tasmania Government to help provide this assistance.

### **Surf Sports:**

Surf sports are offered to our members so they can develop essential skills as volunteer surf lifesavers. It also helps to recruit new members and retain long serving members.

### **Sponsors:**

The Ulverstone Surf Lifesaving Club would not be able to undertake its community services without the support of our sponsors of which there are many and all are critical to our success. We would like to thank all our sponsors for their support and look forward to their continued support into the future.

## President's Report

Firstly, welcome to the AGM, a packed 12 months have passed since the previous one. A season that has seen the club consolidate after a fractured start.

We have seen how a reduction in club numbers can put pressure on the nucleus of people who make any club function. However, I feel that the board has worked efficiently and with a sense of shared purpose, supported by club members who have ensured successful outcomes. This can be seen through the following; the Australia Day Event, hosting a weeklong National Veterans Motor Cycle event, supporting the SLST Development Camp, supporting a double header carnival and the continuation of our successful counter meal and breakfast sessions.

I would draw your attention to the Life Saving and Surf Sports reports, however, I must acknowledge my thanks to the leaders of these areas as they have ensured that the Club has met every benchmark required of us. I would, however, ask all members to be mindful of the club's needs and to strive to reconcile what they think they can offer and what realistically can be achieved.

A constant flow of information was disseminated to members throughout the season via social media or other electronic means, eg our updated website [www.ulverstoneslsc.org](http://www.ulverstoneslsc.org) or heaven help us, face to face/person to person contact!

I think this has helped the club successfully navigate the season.

I made mention above of the Board's ability to work together. This has enabled decisions affecting the future running of the club to be made in a timely manner;

- Obtained funding (Tasmanian Community Fund) for the installation of Solar Panels on the club.
- Utilised the Tasmanian State Government's \$25,000 grant for Life Saving Equipment. Due to an ongoing saga in relation to unavailability of new IRBs the board has made the purchase of a late model 4x4 (Holden Colorado – twin cab & canopy). When available the board will purchase a new IRB out of retained club funds. The outgoing board have set this as first priority for the next season.
- Taken advantage of an offer from SLSA to replace the Can Am with the latest model.
- Obtained grants from Federal Government's Stronger Communities Grant & Volunteers Grants to close in the club's through way, allowing for rescue equipment storage and purchase of new fuel bladders and radios.
- Replaced 3 rescue boards & 5 rescue tubes.
- Upgraded all audio-visual equipment in the Binni Room and the hall, as well as installing Heat Pumps in Binni Room and Office.
- Installed Sound Reduction Panels in the hall and resurfaced the hall floor.
- Upgraded all hall/bar/IRB shed lighting.

- Committed to upgrading the First Aid Room with running hot water.
- Recommenced our Sunday Water Awareness sessions at the East Ulverstone Pool.
- Responded to last year's AGM to upgrade the club's constitution and by-laws with updated versions.
- Investigated the implications of Tas Water's demands for installation of a Trade Waste tank.

## Challenges

- Sponsors- what do we want and what can we offer or are prepared to offer and who do we seek?
- Building on numbers, both in the senior ranks and the juniors.
- Maintaining training standards and course offerings.
- Community Relevance.

In closing it is pleasing to note that little will change in the composition of the next board as I see continuity at this level as being the first step in consolidating on this season's gains.

## Graeme Rollins

## **Club House Director's Report**

Our function facilities have had constant use the past 12 months. We have a group of regular customers, DHHS, MS Society, SLST and others who use the Binni Room for training and meetings throughout the year, (but we are always available for more). This provides us with a steady income especially during winter and the quieter months. We continue to have a steady flow of enquiries through our Website. The Wedding period, October to March, was rather busy this year as was November and December with a number of local schools and business's holding end of year functions. Botanical Resources Australia continue to patronise our club holding several functions throughout the year. The bigger functions that are held in the Hall go hand in hand with the Bar and provide the Club with much needed funds.

It is very pleasing to hear the positive comments regarding our venue, be it from Chefs that use our kitchen, customers that have held functions, or just people that have been to a training course or function. On saying this it is also extremely important that we remember that there are many venue's offering similar facilities to ours, therefore we need to be mindful of the importance to keep our premises in good condition and offer up to date technology and be competitive in costings.

Counter Teas were very popular in January which included a few changes to the menu this year, the Breakfast's reappeared this year. Thank you to all those who have done a terrific job running these worthwhile programs. I would like to thank Anne Wood, Louise Smith and their team of helpers as well as my team of helpers, who help make up our function teams that help keep our club neat, tidy and presentable for functions. A big thankyou also to the tradesman members within our club who offer their services when needed, it is much appreciated.

**Paul Booth**

## **Life Saving Report**

Six patrol teams operated this season, supported by an Active Reserve of 7 members. Average membership of each team was 8 and each was rostered for 6 days, that is, for 30 hours.

There were 4 Club Patrols: Christmas Day, Australia Day and Junior and Senior State-wide carnivals.

This season 68 members completed their Skills Maintenance Assessments and 57 performed lifesaving duties.

Seventeen individuals trained and gained 31 new lifesaving awards. Meggan Booth and Lara Emmett continued their work as Trainee Training Officers and Mike Holland was Chief Training Officer. The Club is seriously in need of more people to become actively involved as trainers. It's also essential that more trainers get assessor qualifications.

This year, Isabel Porter attended the state-wide Lifesaving Development Camp and returned with enhanced skills and several new awards. Lara Emmett, Mike Holland, Chris Jacobson, Jack and Nick Wood were trainers and leaders at LDC.

It's great that so many of our lifesavers compete in surf sports events. However, state-wide surf carnivals, ocean swim events and weekend work rosters leave us struggling to get enough members with the appropriate skill sets onto the beach each weekend. A review of patrol team and roster arrangement is to be undertaken to find fresh ways to address this.

This has been an outstanding year for updating our lifesaving resources. 2 Tohatsu motors have been purchased. The old CanAm Defender-Pro SSV was sold and replaced with a current model vehicle and two I-com patrol radios, 3 Bennett surf rescue boards and 5 new surf rescue tubes have been purchased. The aging Ford Ranger utility has been sold and has been replaced with a Holden Colorado Twin Cab with canopy. Funding for this vehicle came from the State Government.

Thank you to everyone who helped Ulverstone SLSC deliver its public safety service for the Ulverstone community especially to those who substituted for absent members or volunteered for extra duties. Some were outstanding. Tully O'Neil and Alison Purton 70+ hrs, Deb Walton, Lara Emmett and Mike Holland 60+ hrs, and Andrew McMahon 50+ hrs. Congratulations to Alison who was presented with the Dot Wilson Best Patrol Person Award.

## **Junior Activities Report**

The 2018/19 season has ended for our nippers with, again, an all-round fantastic effort.

The club welcomed a number of new faces to the membership, joining the enthusiastic and talented group of young people.

Our young members attained their certificates, awarded for successful completion of the formal education component of SLSA Nipper and Junior competencies, both on the beach and in the water.

The Nippers enjoyed the warmer waters for training sessions and Carnivals around the state. Although our cooler Winter temperatures make open water training sessions less inviting earlier, we were certainly treated to an extended period of warmer waters later in the season, with many afternoons spent wave riding and swimming around the buoys, until parents would begin to wave the kids in so as to get home before the Sun indeed set.

Our children developed, both as surf life savers and as members, through their involvement with our coaches, age group managers, water safety and other helpers. The members in these roles provided encouragement, support, expertise, motivation, and many other contributions to our team.

Our many helpers included coaches, Benny Parsons, Joseph Robertson, Liz Eustace, Paul Collins, Damien McCulloch and others.

There were many parents and senior members helping with water safety and age managing throughout the year.

Prue McCulloch often took on the task as Team Manager at carnivals, providing outstanding support and guidance to our parents and Age Managers. Thank you, Prue.

USLSC is an integral part of our community, supplying a professional and skilled lifesaving service on and around our beaches and waterways. The junior members are the future of this service and we, as a club, can once again be satisfied that our depth, and the quality and strength of our membership, at Junior level, indicating that the USLSC continues to have a bright future.

The Ulverstone Juniors are regarded by many competitors as to set the benchmark standard for inclusiveness, positive interaction, sportsmanship, and quality representatives of the surf lifesaving movement. 2018/19 was no exception to this rule and although our numbers may have been small, the achievements and representation was outstanding.

**Surf Education Certificates and 2019 Junior participation medallions.**

## **SURF SPORTS REPORT**

Well just like that another beach season is done and dusted..... Ulverstone SLSC senior athletes have had a busy 2018/19 season.....

Well done and congratulations to our group of senior athletes who trained their butts off in the pool and at the beach – be it part of the group training or putting in extra sessions individually.

At the competitions over the season our athletes gave it their all – many accolades, many ups and downs, many personal achievements and lots of sportsmanship and fun had.

At the start of the season the club purchased 3 new ski paddles, which were put to good use by our paddlers starting their ski paddling journey. We also had a tidy up of the board storage with each personal board now having an athlete named spot on the board racks. During the pre season we held whole club sessions of Saturday – walk/run/ride and Sunday – board sessions.

With the busy summer, lots of competitions were held catering for athletes of all levels – below is a summary of what Ulverstone SLSC athletes were up too..... apologies in advance if I have missed anything Surf Sports related

### **Surf Safari**

50th Anniversary of the Surf Safari, 2 crews; Super Masters Crew (Graeme Rollins, Peter Butcher, Jim MacDonald, Danny Redman and sweep Julian Moore) & Masters Boat Crew (Leigh Knowles, Rob Best, Lyndon O'Neil, Chris Jacobson and sweep Justin Orr), Mike Holland – 6km Legends ski and Jensen Walton & Dusten O'Neil in the board race.

### **Somerset Marathon**

“Young Guns” Boat crew (Jack Moore, Jordan Otten, Jacob Smith, Tully O'Neil, Julian Moore), and Jack Walton, Mike Holland, Jensen Walton, Dusten O'Neil, Lyndon O'Neil, Shane Walton, Aran O'Neil & Hudson O'Neil in ski and board events.

### **State-Wide Carnivals**

This season SLST held the Tasmanian Surf League for Open State-wide Carnivals. There were 4 rounds for the summer. The TSL point score was split into Metro clubs and Country clubs – Ulverstone SLSC was in the metro clubs. At the end of the 4 round TSL series Ulverstone finished 3rd in the Metro Club Point Score. Rounds were at Burnie, Clifton Beach, Ulverstone and Carlton.

TSL Metro Club Point Score - Burnie 5634, Devonport 2085, Ulverstone 2082, Clifton Beach 1817, Carlton Park 1732

TSL Country Club Point Score - Port Sorell 579, Penguin 181, Kingston Beach 115, Boat Harbour 109

### **Masters Championships**

This year we only had 4 athletes competing at the Masters at Bridport (Lyndon O'Neil, Joseph Robertson, Ali Purton and Deb Walton)

During the season we had 2 senior athletes compete at rounds of the Ocean 6 series. Zane Hadley competed in Currumbin QLD finishing in the top 10 of the U17 Surf race and Jack Walton competed at the final round in Wanda NSW.

### **SLST Interstate Team/SLST Youth Pathways Cup Team**

Ulverstone had the following representatives Jack Walton, Maggie O'Leary, Zane Hadley (Interstate Team) and Dusten O'Neil, Jensen Walton (Youth Pathways Cup Team). Newport, Manly and Freshwater.

### **SLST Open State Championships**

14 senior athletes competed. This entire group gave it their all in individual and team events. Ulverstone finished 4th overall in the Championships points tally and 2nd in the handicap shield. Many outstanding moments and 25 state champions (All titles can be found in the SLST Annual Report). Thanks to Deb Walton for being the Ulverstone SLSC Team Manager on carnival days

**The 2019 Aussies** were held at North Burleigh (for the Youth Championships) and Broadbeach (for the Masters and Open Championships) as well as 2 days at North Kirra (after relocation of the U17 and Female areas due to safety and surf conditions)

Ulverstone SLSC had 6 athletes competing at the Aussies: Jensen Walton (Youth Championships), Debbie Walton, Shane Walton and Trent Hadley (Masters Championships), Jack Walton, Zane Hadley (Open Championships) along with touring team members Nicole and Jamieson Haldey, Ann & Liz Eustace.

Dates for Aussies 2020 are: Youth Championships 18th & 19th April (North Burleigh). Masters Championships 20th & 21st April (Broadbeach). Open Championships 22nd – 26th April (Broadbeach)

## Registrar's Report

Total membership for the 2018/19 season is 195 which is 44 down from the previous season.

We had a number of transfers out this season with some going to other Tasmanian clubs and others joining clubs on the mainland.

Long time life member Maurice Vanderfeen passed away August 2018. RIP Maurie.

Most members are now using either their SLSA Members Portal or the SLSA payment gateway to renew and pay for memberships. This has greatly assisted with processing memberships from my end. Can I ask that members ensure that they keep all personal details updated on their members portal.

Below table shows breakdown of membership categories as compared to previous season.
